2022 CATALOG

Known as "The Original Logo Watch Company," Selco is the premier provider of customized timepieces for promotional and recognition programs. Trusted since 1935, our craftsmen combine timeless quality and innovative customization into watches they'll want to wear.

EXTENSIVE CUSTOMIZATION

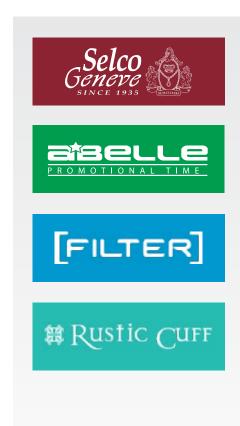

Add more specific info. The watch face isn't the only palette for customization. With Selco's precision engraving capabilities, we can add a logo, name, or message to case backs, as well as metal watch bands. Engraving can take recognition and award timepieces to the next level through customization that is unique to each specific recipient.

A PERFECT PARTNER FOR YOUR PROGRAM

Selco has proven to be a valuable partner for organizations wishing to establish an incentive or recognition program, or add to an existing one. With over 100 years of combined experience, our staff can show you a variety of creative watch award solutions to help engage and motivate employees, recognize achievement, reward service, and more is unique to each specific recipient.

SELCO 22 CATALOG www.selcotime.com

Selco Geneve is the original logo watch brand and the preferred timepiece of corporations to reward their employees for service, safety, and sales performance. In addition to supporting ongoing corporate award programs, it is also ideal for any number of commemorative events for contemporary to conservative

Selco Geneve is the most customizable brand in the industry. Every model can be customized with pad or digital imprinting, and can support any of our medallion options from the Next Dimension to our premium "The 4th Dimension", Most models are available in both a men's and women's style and are priced at about half of comparable retail name brand watches. When you decide to use Selco Geneve for your program, we provide replacement dies and dial stocks at no charge. With Selco Geneve, you can rest assured that your program incentive will stay consistent with old and new employees, alike.

Www.selcotime.com SELCO 22 CATALOG G23

Selco Geneve is the original logo watch brand and the preferred timepiece of corporations to reward their employees for service, safety, and sales performance. In addition to supporting ongoing corporate award programs, it is also ideal for any number of commemorative events for contemporary to conservative organizations.

Selco Geneve is the most customizable brand in the industry. Every model can be customized with pad or digital imprinting, and can support any of our medallion options from the Next Dimension to our premium 4th Dimension. Most models are available in both a men's and women's style and are priced at about half of comparable retail name brand watches. When you decide to use Selco Geneve for your program, we provide replacement dies and dial stocks at no charge. With Selco Geneve, you can rest assured that your program incentive will stay consistent with old and new employees, alike.

MEDALLION

In 1993, Selco created the 2 Dimensional Medallion, creating a lower priced, America made dial option for A*Belle watches. The 2D medallion dial is available on nearly all A*Belle watches. The medallion dials are affordable, and the A*Belle line can be upgraded to our fully customizable 3D dials for a small upcharge.

Next Dimension II

Metallic, polished application that can be used on virtually any dial & produced in dozens of

CREATIVE CHOICES

Nothing adds distinction to a watch like a custom die-struck medallion dial and nobody does them better than Selco. You can be sure that when you select a custom die-struck medallion dial, your timepiece will be like no other in the world. A die-struck medallion dial is pressed from a flat piece of metal using a die that is cut from hardened steel. Selco offers three different medallion dial options to allow you to perfectly meet your requirements.

2 Dimension dial: A Step Up

The most affordable die-struck medallion dial option, but no less distinctive. A 2D dial offers the following features: • Your choice of silvertone or

- goldtone color • One level of raised relief
- · Lightly antiqued brushed finish

3 Dimension dial: Distinctive Elegance

Our most popular option. A 3D dial offers the following features:

- Your choice of silvertone or goldtone color or a two-tone combination
- Multiple levels and contoured relief •A variety of finishes including gold or silver plated high polish, satin or pebbled finish, antiquing, colored backgrounds, colorfills

and more.

The 4th Dimension™: The Ultimate Impression

A Selco Exclusive! Our trademarked process which combines all the features of a 3D dial, but also includes a meticulously detailed step-and-repeat pattern on the background of the dial featuring your logo or copy. You've never seen anything like it.

You have the vision; We have the solution!

We know everyone has their own vision of what the perfect watch looks like. Everyone at Selco is ready to turn ideas into reality.

1. Design

Selco starts with your vision and budget in mind. We pull from our extensive set of capabilities and use our tools to produce an image that is perfect for your specific application. Your approved image follows your order through the plant to ensure that the finished product matches or exceeds your expectations.

2. Production

Each watch is carefully customized by our trained technicians. From printing to die striking, engraving to appliqué, Selco's decoration processes are unmatched in the industry.

3. Shipping

Each completed watch is checked for quality, on time performance and a visual check against the approved proof. Next it is carefully packaged in a presentation box to ensure the watch makes it to its destination in perfect condition. Add customization to the packaging to take your award to the next level.

G73

Our goal is to provide a perfect recognition gift and a great experience to each customer. We take pride in delivering a product that will make an impact each time the recipient looks at their award.

Known as "The Original Logo Watch Company," Selco is the premier provider of customized timepieces for promotional and recognition programs.
