

PRODUCT CATALOG 2023

CUSTOMIZED TO
PERFECTION

ARTWORK INFORMATION

The quality of your artwork determines the quality of the imprint.

Layout:

Please provide a detailed layout. If size and/or position are not specified ImprintID will use its discretion and send a paper proof. For layered artwork, please provide the art files separately.

Straight Line Copy:

Up to 4 lines will be typeset at no charge. Excess or curved copy may require art charge. Customer is responsible for proofreading.

Copy Size:

Varies depending on product. We will use our discretion for best imprint. Larger text may be required on products based on size of product. If new artwork or product needs to be changed to print better, we will contact you and provide guidance to ensure logo and text prints as clear as possible.

Paper Proof Available on Request:

Free Paper Proofs. Charges will apply if changes are made to artwork after it has been sent to production.

Digital Artwork Files:

We accept multicolor art sent in a vector format, saved as .eps, .pdf or .ai file. All fonts must be converted to outlines. Art must be created at a minimum of 600dpi saved as .tiff or .eps format. All placed images must be embedded. PDF or hard copy of the file must accompany the order so we can visually confirm that it matches the art file.

Acceptable Programs & Requirements:

ILLUSTRATOR: create outlines on all fonts. (.ai, .pdf, and .eps are acceptable file formats)

PHOTOSHOP: Art must be created at a minimum of 600dpi. Scanned halftones and multicolor art is not acceptable. .tiff and .eps are acceptable file formats.

Corel Draw: Change all fonts to curves. Art must be exported as an .ai or .pdf file. .ai, .pdf, and .eps are the acceptable file formats. All placed images must be created at a minimum of 600dpi. Placed images in color are unacceptable. The preferred format is Adobe Illustrator pdf. We do not accept page layout programs such as MS Word. File formats such as .doc, .pub, .vcf and .dat are unacceptable.

ACCEPTABLE FILE STORAGE: CD, DVD, Email, FTP

E-mail Requirements:

Our preferred method is to send your purchase order with digital art together to orders@imprintid.com.

Must meet all the requirements for digital artwork files.

Do Not Include Order Information in the body of the art e-mail - This will not be considered as part of the order. Send initial art and order instructions only to orders@imprintid.com. If sent to a different email and not processed, ImprintID is not responsible for any delays this may cause. After order has been processed, all communication for the proof will be with artwork@imprintid.com.

Files 5MB must be compressed using Stuffit, Winzip or Zipit. Must include purchase order number in subject line, distributor company name and phone number. Must include style number, product color, and imprint color

LET US HELP
YOU GROW
YOUR BRAND

Artwork Approval:

Artwork approval is only accepted through email communications. Approval cannot be accepted through phone calls. A link will be provided for approval the next business day after order is processed, please click on the link for approval or request revisions.

Artwork Changes:

All changes to order & art must be sent to artwork@imprintid.com. Please contact Customer Service Team for any questions. Please include Sales Order if order has already been processed with the PO number to ensure the revision request is processed quickly. Artwork can be changed as many times as possible until artwork has been approved. Please allow up to 24 hours for new proof. Multiple revisions can delay in hands date. (ImprintID is not responsible to cover rush charges to meet original in hands date) Please refer to the product's information of the turnaround time for delivery dates.

Please provide clear and detailed information of the revisions needed. If revision requests are not clear, it will delay providing a revised proof. If revisions are needed after artwork has been approved, please contact artwork@imprintid.com the SAME DAY of approval before 5pm ET. If revisions are needed after one day artwork has been approved, Client is responsible to cover any production charges unless the fault is due to ImprintID.

Please note printing process starts the next day after artwork has been approved

ORDER INFORMATION

We have production facilities in the US and overseas in China to offer flexible options and the best pricing.

We ship our overseas products through major international carriers such as UPS, FedEx & DHL. For USA decorated products, we use UPS and FedEx. We ship to the Continental US, All major US territories, and Canada. Please contact us for Canada shipping estimate. Tracking numbers are always notified by email when the orders are shipped. If you are looking for an update on your order, please email cs@imprintid.com or call 877-385-7785 x2.

Typically, we do not encourage drop shipping to multiple location as our freight calculations are for one location in continental US. If drop shipping is required, please reach out to: sales@imprintid.com for additional shipping charges.

Please see our product list for production and shipping time. Please note any delay in the shipment of the packages because of the major carriers' own logistical problems and customs issues we would not be responsible for delay. Any further questions on your specific production please reach out to our sales team asap.
